HOSPITAL INDEMNITY

The average cost per inpatient day for a hospital stay is \$2,157.¹

As health care costs continue to rise, you are responsible for paying more and more out-of-pocket costs with every accident and illness. Aflac is designed to help families plan for the health care bumps ahead and take some of the uncertainty and financial insecurity out of getting better.

How will you help protect your savings when you have a covered accident or sickness?

If you are confined to the hospital, major medical insurance will help with many medical expenses, but you could be left with out-of-pocket expenses. You could also lose pay while you're out of work. And you can be sure that the bills will keep coming. Aflac is here to help.

IT'S INSURANCE FOR DAILY LIVING:

Aflac pays cash benefits directly to you, unless you choose otherwise. This means that you will have added financial resources to help with medical costs or ongoing living expenses. Aflac group hospital indemnity insurance plans² are designed to provide you with cash benefits to help with the following:

- Hospital Confinement Benefit
- Hospital Admission Benefit
- Hospital Intensive Care Benefit
- Intermediate Intensive Care Step-Down Unit
- Everyday living expenses, like your rent or mortgage, utility bills, groceries, and more
- It even provides coverage for newborn children for 60 days from the date of birth³
