NEW - Critical Illness

Group Critical Illness

Surviving a critical illness is tough

IT'S TOUGHER WHEN THE BILLS START TO ADD UP

- Beating a critical illness is tough, but it's tougher when the bills start to add up. An Aflac group critical illness insurance plan helps employees and their covered dependents recuperate without worry over financial setbacks that can cause stress and slow recovery time.
- The plan's lump sum cash benefits can be used to help cover medical expenses (that major medical isn't intended to cover), routine living expenses, as well as the hidden costs of illness—travel, lodging, and miscellaneous out-of-pocket expenses. Aflac group critical illness coverage can help alleviate financial stressors that can take away from a healthy recovery.

New Enhancements! The whole plan is new, these aren't enhancements.

- Zero months separation between ANY Additional Occurrence, No benefit maximums and No additional cost for Child coverage

Even if you currently have coverage, you must actively enroll in the new plan.

NEW - Hospital

Group Hospital Indemnity

Powerful Protection

BECAUSE MEDICAL AND OTHER BILLS WON'T BE PATIENT

- A sudden hospitalization might stop employees in their tracks, but bills - mortgages, utilities, groceries and out-of-pocket costs, will keep on coming. Aflac's Group Hospital Indemnity helps employees handle the extra costs of a covered hospital stay.
- Our hospital indemnity coverage will complement any major medical coverage, from routine care to catastrophic illnesses and accidents. This is a marketing phrase, not one for employees.

The whole plan is new, this is not an enhancement.

Admission pays once per accident/illness, previously limited to one per year and Hospital Confinement pays on Day 1, in addition to the Admission Benefit

Even if you currently have coverage, you must actively enroll in the new plan.

Group Accident Insurance

Accidents happen to all kinds of people every day

IT'S INSURANCE FOR DAILY LIVING

Pays cash benefits when unexpected medical and everyday expenses begin to add up after a covered accident.

Highlights include:

- More than 50 events that trigger benefits payments, including fractures, dislocations, medical fees, hospital admission, ambulance transportation, and physical therapy, among others.
- Benefits payable for hospital, wellness, ambulance, and physical therapy.
- Accidental-death and -dismemberment coverage.
- Guaranteed-issue coverage with no underwriting required to qualify for coverage.
- Portable coverage that allows employees to retain coverage at the same rate if their employment status changes (*with certain stipulations*).

Group Whole Life Insurance

Affordable security that builds cash value

Nearly 40 percent of Americans say they wish their spouse or partner had more life insurance.

People know they should have it, but it's a difficult conversation for employees to have with their loved ones. Most people who don't have life insurance would like to have it, and of those who do have it, most say they would like to have more coverage.

Aflac's life insurance is a smart investment for your employees to protect their family's financial freedom. The Aflac Group Whole Life plan is permanent life insurance with living benefits to help provide your employees and their families with a financial cushion when dealing with the loss of a loved one.

- Up to \$300,000 of Whole Life coverage
- Waiver of premium
- Accidental death benefit
- Accelerated benefit

Guaranteed-issue coverage is offered during the initial enrollment and for new hires thereafter.

Guaranteed-issue amounts:

\$150,000 employee and \$25,000 spouse with no employee participation requirement.

\$10,000 Child Term Rider is offered on a guaranteed issue basis.

Short Term Disability Insurance

protect your income if you can't work after an accident or illness

What is Short Term Disability insurance?

Short Term Disability (STD) insurance can help you replace a portion of your income during the initial weeks of a Disability.

Eligibility Requirements

Short Term Disability: All Active Full-time and Part-time employees working at least 20 hours per week are eligible to participate.

How is "Disability" defined under your Plan?

Generally, you are considered disabled and eligible for short term benefits if, due to sickness, pregnancy or accidental injury, you are receiving appropriate care and treatment and complying with the requirements of the treatment and you are unable to earn more than 80% of your predisability earnings at your own occupation.

For a complete description of this and other requirements that must be met, refer to the Certificate of Insurance provided by your Employer or contact your MetLife benefits administrator with any questions.

The Short-Term Disability benefit replaces a portion of your predisability earnings, less the income that was actually paid to you during the same Disability from other sources¹ (e.g., state disability benefits, no-fault auto laws, any income received from the Employer for the period You are Disabled, etc.).

The Core Benefit amount is 60% of your predisability weekly earnings; subject to the plan's maximum weekly benefit of \$2,000.

Benefits begin after the end of the elimination period. The elimination period begins on the day you become disabled and is the length of time you must wait while being disabled before you are eligible to receive a benefit. The elimination periods are as follows:

Option 1:

For Injury: 7 days.

For Sickness (includes pregnancy): 7 days.

Option 2:

For Injury: 29 days.

For Sickness (includes pregnancy): 29 days.

Cover the costs on a wide range of common legal issues with a legal plan

Estate planning, home sales, tax audits, and more!

Why a Legal Plan matters

Legal matters occur throughout life, when you're getting married, buying a home, caring for aging parents or dealing with identity theft or a tax audit. Having access to a network of attorneys through a legal plan empowers you to handle these costly issues as they arise.

When you need legal help, we've made it easy for you. Our network attorneys are available in person, by phone or by email. We also offer access to online tools to complete your estate planning documents or download self-help legal forms. And, you will always have a choice in what attorney to use. You can choose one from our network of prequalified attorneys, or use an attorney outside of our network and be reimbursed some of the cost.¹

Legal help made easy.

- 1 Easy to find an attorney
- 2 Easy to make an appointment
- 3 Easy from start to finish

70%

of Americans do not have a will, the most basic estate planning document you need to protect your assets and your family.⁸
