In accordance with O.C.G.A. §§ 21-2-492 and 21-2-493, notice is hereby given that the computation and canvassing of returns for the **June 16, 2026 General Primary / Special Runoff Election** will be conducted at:

**Tabulation is scheduled to begin at 7:00 p.m. on Election Day, Tuesday, June 16, 2026**

Please be advised of the canvassing process:

As part of the Fulton County canvassing process, all physical ballots are accounted for and compared to the number of votes cast prior to election certification.

Physical ballots cast during Advance Voting are retrieved daily and counted, but not tabulated, beginning the day following each voting day to verify that the number of physical ballots matches the reported votes cast at each Advance Voting location.

Physical ballots cast on Election Day are counted, but not tabulated, beginning the Wednesday following the election to verify that the number of physical ballots matches the reported votes cast at each Election Day polling location.

If a discrepancy is identified between the number of physical ballots and the number of votes cast, the affected ballots may be recanvassed, pursuant to O.C.G.A. § 21-2-495, to resolve the discrepancy. If the Superintendent determines that a recanvass of the ballot batch is necessary, the process will occur on the Friday and/or Saturday following the election in the presence of the Vote Review Panel. The Georgia Secretary of State's Office, county political parties, and affected candidates will be notified. In addition, the process will be open to the public.

For information regarding whether recanvassing is necessary for the current election, please contact the Fulton County Department of Registration & Elections main office, 404-612-7020
