NOTICE OF CONSOLIDATION

In accordance with O.C.G.A. §§ 21-2-492 and 21-2-493, notice is hereby given that the computation and canvassing of returns for the **November 3, 2026, General & Special Election** will be conducted at:

Fulton County Election Hub & Operations Center
5600 Campbellton Fairburn Road
Union City, Georgia 30213

Tabulation is scheduled to begin at 7:00 p.m. on Election Day, Tuesday, November 3, 2026 and will continue until completed.

As part of the Fulton County canvassing process, a comparison will be made between the number of votes cast and the number of physical ballots. No earlier than Nov. 4, physical ballots will be counted to verify that number and compare it to the reported votes cast at each Advance Voting and Election Day polling location. During this process of counting the physical ballots, there is no tabulation of votes.

If any discrepancies requiring further review are identified between the number of votes cast and the number of physical ballots, an investigation will be conducted to determine the cause. The Department of Registration & Elections will report the findings of these investigations to the Board of Registration & Elections at its November 6 Pre-Certification Meeting.

Pursuant to O.C.G.A. § 21-2-493, the Board may determine it is necessary to recount the votes for a precinct pursuant to the procedures set forth in O.C.G.A. § 21-2-495.

If a Board initiated recount is conducted, it will occur prior to the Nov. 9 certification. It will be conducted in view of the public and the vote review panel. Additionally, the Georgia Secretary of State's Office, county political parties, and affected candidates will be notified in advance of this process. County political parties may designate two representatives to be present.

For information regarding whether recanvassing is necessary for the current election, please contact the Fulton County Department of Registration & Elections main office, 404-612-7020.
