## **NOTICE OF CONSOLIDATION**

In accordance with O.C.G.A. §§ 21-2-492 and 21-2-493, notice is hereby given that the computation and canvassing of returns for **November 3, 2026, General / Special Election** will be conducted at:

Election Hub & Operations Center  
5600 Campbellton Fairburn Road Union City, Georgia 30213

**Tabulation is scheduled to begin at 7:00 p.m. on Election Day, Tuesday, November 3, 2026**

Please be advised of the canvassing process:

As part of the Fulton County canvassing process, all physical ballots are accounted for and compared to the number of votes cast prior to election certification.

Physical ballots cast are counted, but not tabulated, beginning the Wednesday after Election Day to verify that the number of physical ballots matches the reported votes cast at each Advance Voting and Election Day polling location.

If a discrepancy is identified between the number of physical ballots and the number of votes cast, the affected ballots may be recanvassed, pursuant to O.C.G.A. § 21-2-495, to resolve the discrepancy.

If the Superintendent determines that a recanvass of the ballot batch is necessary, the process will occur on Friday and/or Saturday following the election.

Recanvassing will take place in the presence of the Vote Review Panel. Additionally, the Georgia Secretary of State's Office, county political parties, and affected candidates will be notified in advance of this process. The recanvassing process will also be open to the public.

For information regarding whether recanvassing is necessary for the current election, please contact the Fulton County Department of Registration & Elections main office, 404-612-7020.
